Class Descriptions

45 X 45– Push, pull, hinge, squat, lunge and carry your way to a better body. 45 minutes of total body interval training on our MAC Outdoor Functional Training rig. You will work your body in all planes of motion and build strength with foundational movement patterns, perfect for all levels.

AQUA Exercise - Please reference our monthly [Aquatics calendar](#) for details of aquatics classes. The Aquatics schedule is available on-line, on our MAC App and at the aquatics desk.

ASHTANGA YOGA - This class involves following a set of yoga poses in sequence throughout the session which include forward bends, standing balances, twists, inversion, back bends & more. Each pose is held for 5-10 breaths and ends with learning to relax and recover.

BARBELL Strength – This barbell workout incorporates functional strength training that's designed to get you lifting and working hard. Every movement plane is attacked using barbells, dumbbells and body weight. A strength workout where all levels welcome.

BARRE Fusion - Challenging fitness class combining the best from Barre, Yoga and Pilates, utilizing different props and sequencing each class to enhance the sculpting of your entire body; raise your glutes and tighten abs! All levels welcome.

BARRE Strength - This class combines elements of Pilates, Ballet and functional training designed to increase balance, posture and muscle endurance.

BALLETONE - A low impact, high energy class which combines elements of Ballet, Pilates & dance to bring your heart rate up and tone your lower body.

CARDIO COMBO - Hi-Lo, Drumfit, Fluid Strength, Muscle Works, Barre & Yoga can be found in this fun & high energy class.

CARDIO KICKBOXING - High energy martial arts-inspired workout that is guaranteed to get the heart rate up & relieve stress. No experience needed.

CARDIO SCULPT - Challenge your strength and stamina using body bars, bands and weights. While every class will be different, be prepared for some serious calorie burning and full body toning.

CARDIO, STRENGTH & CORE - This class targets your full body in various intervals utilizing bands, weights & body bars.

CARDIO STRENGTH Intervals - A combination of 30 min. of cardio followed by 30 min. of strength utilizing a variety of equipment.

CORE & MORE - A class focused on strengthening the abdominals, back and gluteal muscles using a variety of equipment. Build stability and endurance in the muscles that connect your upper body to the lower body, improve balance & assist with injury prevention

FUNCTIONAL STEP- This class uses easy to learn functional strength moves and patterns them with step combinations to produce a fun workout. The benefits of step classes are proven to strengthen and tone muscle groups and improve coordination while the functional strength exercises prime the body for activities of daily living.

GOODLIFE CHAIR CLASS - A low impact, strength, balance and range of motion workout focusing on the older adult population with most of the work done in a chair, age 55 and older.

GOODLIFE CARDIO COMBO - Signature class for active 55 and older adult with low impact cardio movements that will keep your heart rate up.

GOODLIFE MUSCLE WORKS - A weightlifting class for strength and endurance. Instructors will use various resistance and strength tools.

GOODLIFE ZUMBA GOLD - Zumba for the active 55 and older adult or if you just want to learn the basic steps of Latin and other rhythms. Slower paced but still a ton of fun!!

HATHA YOGA - This class is a gentle slow paced fundamental yoga class. It is a great class to learn beginner's poses, breathing and relaxation techniques cultivating awareness and emphasis on mind, body and breath.

HIGH Fitness - HIGH Fitness is choreographed interval training with cardio peaks and toning tracks that is set to music you know and love. Low impact options provided through out class. All levels welcome.

HIIT Camp - A high intensity weight & cardio interval class for all fitness levels designed to challenge your agility and keep the heart rate up.

HIIT Conditioning - A high energy, high intensity weight & cardio interval class for all fitness levels designed to keep the heart rate up. This class is a full body workout and utilizes various equipment such as barbell, weights, bands, TRX & Bosu balls.

HIIT Circuit w/TRX - This workout involves a series of exercises that will alternate between cardio and strength with minimal rest using various types of equipment This class utilizes various equipment such as body bars weights, bands, & TRX.

MUSCLE BLAST - A full body resistance class with added cardio intervals and some extra challenge for those who want to get it all.

OSTEOPILATES - Class is specifically designed to reduce fracture risk and increase bone density.

PILATES - These classes are slow paced to concentrate on good form, proper alignment and breathing with focus on your core. Instructor will give progressions and regressions. Props may be used, such as fitness circles, resist-a-balls and barrels to challenge your stability. Great for all fitness levels.

POWER YOGA - (Intermediate) This class is designed for an intermediate practice with an emphasis on flowing from one pose to the next, rather than approaching each pose separately. Variations of core work and push-ups are combined with traditional yoga poses. You will sweat and leave feeling refreshed and invigorated. Modifications and rest breaks are offered.

RESTORATIVE & RELAXATION YOGA - You can expect to feel deep relaxation, releasing stress and tension while slowly stretching connective tissue to your range of motion. Combining breathing with awareness of your limitations in mobility due to injury or inactivity leading to a deeper self awareness. This practice is a healing journey for all levels and complements all vigorous activity and classes.

SPINNING - Please reference our monthly [Spinning calendar](#) for details of specialty spinning classes. The Spinning schedule is available on-line, on our MAC App and at the front desk.

STEP & STRENGTH - Cardio/strength combination class that alternates step moves to keep your heart rate up and strength exercises to sculpt every major muscle group. This class is a total body workout.

STRETCH & RELEASE - This relaxing class teaches a variety of exercised to help improve overall mobility, flexibility and posture, making many daily tasks easier and safer. This class may use varying props such as yoga blocks, foam rollers, lacrosse balls and straps.

TOTAL BODY STRENGTH - A head to toe strength routine that works every muscle in your body using various equipment while also challenging your cardiovascular stamina. This strength and conditioning workout is open to all levels.

VINYASA YOGA (Beginner to Intermediate) - Recommended for the intermediate or advanced yoga practitioner. This is a progressive series of challenging asanas (poses) that flow into one another, typically including Sun Salutations. Designed to improve strength, endurance, flexibility, balance, breathing and concentration.

WEIGHT ROOM CIRCUIT - A great muscle workout that meets in the weight room. This class is for all levels. Completion of the complimentary fitness appointment is highly recommended to become familiar with equipment utilized for class.

YOGA BASICS - Open to all students regardless of experience, yet structured for beginners. Instructors will break down postures, teach and demonstrate modification, transitions and option to increase the difficulty of each pose.

YOGA LAB - Perfect class for both beginners and more seasoned yogis looking for more a better understanding of foundational poses. Expect to focus on the lower back, hips and hamstrings for balance and strength.

ZUMBA® - The high energy fitness craze sweeping the nation. Mix of Latin and international music. All levels welcome.
