- AQUA Exercise** - Please reference our monthly [Aquatics calendar](#) for details of aquatics classes. The Aquatics schedule is available on-line, in our MAC App and at the aquatics desk.
- ASHTANGA YOGA** - This class involves following a set of yoga poses in sequence throughout the session which include forward bends, standing balances, twists, inversion, back bends & more. Each pose is held for 5-10 breaths and ends with learning to relax and recover.
- BARBELL Strength** – This barbell workout incorporates functional strength training that's designed to get you lifting and working hard using a barbell, dumbbells and body weight. A strength workout where all levels welcome.
- BARRE Fusion** - Challenging fitness class combining the best from Barre, Yoga and Pilates, utilizing different props and sequencing each class to enhance the sculpting of your entire body; raise your glutes and tighten abs! All levels welcome.
- BARRE Strength** - This class combines elements of Pilates, Ballet & functional training designed to increase balance, posture and muscle endurance.
- BALLETONE** - A low impact, high energy cardio ballet class which combines elements of Ballet, Pilates & Dance to bring your heart rate up and tone your lower body.
- BODYWELL** - Mobilize and strengthen your body through this yoga based practice. Develop a connection to your body so profound that you feel better and improve your body's overall functionality while becoming stronger yet more flexible. Be more functional for your day to day activities. Adaptable to all levels.
- CARDIO KICKBOXING** - High energy martial arts-inspired workout that is guaranteed to get the heart rate up & relieve stress. All levels.
- CARDIO SCULPT** - Challenge your strength and stamina using body bars, bands and weights. While every class will be different, be prepared for some serious calorie burning and full body toning.
- CARDIO, STRENGTH & CORE** - This class targets your full body in various intervals utilizing bands, weights & body bars.
- CARDIO/STRENGTH Intervals** - A combination of 30 min. of cardio followed by 30 min. of strength utilizing a variety of equipment.
- CORE & MORE /CORE EXPRESS** - A class focused on strengthening the abdominals, back and gluteal muscles using a variety of equipment. Build stability and endurance in the muscles that connect your upper body to the lower body, improve balance & assist with injury prevention
- GOODLIFE COGNITIVE CARDIO** - You will work on keeping your heart rate active while performing exercises that will make you think in just 30 min! Enjoy a great aerobic workout, while being able to control your own intensity level and exercise your brain through a combination of exercises that keep your body and your brain healthy for years to come.
- GOODLIFE CHAIR CLASS** - A low impact, strength, balance and range of motion workout focusing on the older adult population with most of the work done in a chair, age 55+.
- GOODLIFE MUSCLE WORKS** - A weightlifting 55+ class for strength & endurance. Instructors will use various resistance & strength tools.
- GOODLIFE ZUMBA GOLD** - Zumba for the active 55+ or if you just want to learn the basic steps of Latin and other rhythms. Slower paced but still a ton of fun!!
- HATHA YOGA** - This class is a gentle slow paced fundamental yoga class. It is a great class to learn beginner's poses, breathing and relaxation techniques cultivating awareness and emphasis on mind, body and breath.
- HIGH Fitness** - HIGH Fitness is choreographed interval training with cardio peaks and toning tracks that is set to music you know and love. Low impact options provided through out class. All levels welcome.
- HIIT Camp** - A high intensity weight & cardio interval class for all fitness levels designed to challenge your agility & keep the heart rate up.
- HIIT Conditioning** - A high energy, high intensity weight & cardio interval class for all fitness levels designed to keep the heart rate up. This class is a full body workout and utilizes various equipment such as barbell, weights, bands, TRX & Bosu balls.
- HIIT w/TRX** - High energy, high intensity weight and cardio interval class for all fitness levels designed to keep the heart rate up. This class is a full body workout and utilizes equipment such as weights, bands and TRX. The TRX is a suspension training system which uses gravity and body weight.
- LINE DANCING**- Exercise your mind and body while socializing with friends in this fun line dancing for beginners class. This low impact dance class is designed for seniors or anyone interested in learning basic fundamentals and focuses on balance range of motion and coordination.
- MOBILITY ACTIVATION** - This class helps to increase range of motion and body awareness and prime the body for physical activity. It's not flexibility, but it involves being flexible. It's not stability, but it includes having core strength.
- MUSCLE BLAST** - A full body resistance class with added cardio intervals and some high energy for those who want to get it all.
- OSTEOPILATES** - Class is specifically designed to reduce fracture risk and increase bone density.
- PILATES** - Slow paced to concentrate on good form, proper alignment and breathing with focus on your core. Instructor will give progressions and regressions. Props may be used, such as fitness circles, resist-a-balls and barrels to challenge your stability.
- POWER YOGA** - Recommended for the intermediate or advanced yoga practitioner. This class is designed for an intermediate practice with an emphasis on flowing from one pose to the next, rather than approaching each pose separately. Variations of core work and push-ups are combined with traditional yoga poses. You will sweat and leave feeling refreshed and invigorated. Modifications and rest breaks are offered.
- RESTORATIVE & RELAXATION YOGA** - You can expect to feel deep relaxation, releasing stress and tension. Combining breathing with awareness of your limitations in mobility due to injury or inactivity leading to a deeper self awareness. This practice is a healing journey for all levels and complements all vigorous activity and classes.
- STEP & STRENGTH**- This class uses easy to learn functional strength moves and patterns them with step combinations to produce a fun workout. The benefits of step classes are proven improve coordination while functional strength exercises prime the body for activities of daily living.
- STRENGTH & STRETCH** - a challenging condensed 30 min strength workout utilizing dumbbells and other equipment followed by a soothing 30 min. full body stretch.
- STRETCH & RELEASE** - This class focuses on deep fascial stretching to help improve overall mobility, flexibility and posture, making many daily tasks easier and safer. This class may use varying props such as swiss balls, dowels, lacrosse balls and towels.
- SOULFUSION™ Yoga** - A creative blend of yoga-inspired flows, short cardio bursts, balance sequences and full body strength training exercises all set to crazy fun music. It trains strength, balance, flexibility and helps to improve overall fitness levels using just your bodyweight.
- SPINNING** - Please reference our monthly [Spinning calendar](#) for details of specialty spinning classes. The Spinning schedule is available on-line, in our MAC App and at the front desk.
- SUPER STEP** - A cardio strength class that alternates step moves and other exercises to keep your heart rate up & sculpt every major muscle group.
- TOTAL BODY STRENGTH** - A head to toe functional strength routine that works every muscle in your body using various equipment such as barbells, dumbbells and bands. This strength workout is open to all levels.
- TAI CHI** - Tai Chi is a moving meditation class that involves a series of movements performed in a slow, focused manner and accompanied by deep breathing. This gentle form of exercise can help maintain strength, flexibility, and balance, and could be the perfect activity for the rest of your life.
- VINYASA YOGA (Beginner/Intermediate)** - This is a progressive series of challenging asanas (poses) that flow into one another, typically including Sun Salutations. Designed to improve strength, endurance, flexibility, balance, breathing and concentration.
- WEIGHT ROOM CIRCUIT** - A great muscle workout that meets in the weight room at Mac for Women. This class is for all levels. Completion of the complimentary fitness appointment is highly recommended to become familiar with equipment utilized for class.
- WEIGHT ROOM 45 X 45**– Push, pull, hinge, squat, lunge and carry your way to a better body. 45 min. of total body interval training on the Mac for Women Fitness Floor. You'll work your body in all planes of motion & build strength with foundational movement patterns, perfect for all levels.
- YOGA BASICS** - Open to all students regardless of experience, yet structured for beginners. Instructors will break down postures, teach and demonstrate modification, transitions and option to increase the difficulty of each pose.
- YOGA II** - classes are designed for those who have had some exposure to yoga, including an introduction to basic yoga poses and proper alignment. Expect more intensity and fewer detailed instructions for more familiar poses. More advanced poses are introduced but it's ok to skip or modify a pose when needed.
- YOGA LAB** - Perfect class for both beginners & seasoned yogis looking for a better understanding of foundational poses & functional movement.
- ZUMBA™**- The high energy fitness craze sweeping the nation. Mix of Latin and international music. All levels are welcome.
